## Vanity Benches - Your Way designs by Diane James

### INTRODUCTION

- » Bench width was added to the Selections when a customer pointed out that "some ladies have larger followings than others".
- » Motion choices was added because our focus group could not agree - so we offer ALL SELECTIONS!
- » Floor is included because these benches are moved frequently and we use a felt glide for Wood / Tile and a "Smoothie" for Rug / Carpet - neither is used when Casters (CA) or Both (BO) is selected.
- » A wicker gift basket is included with each bench as shown below. The cleft in the front skirt facilitates storage of the basket beneath the seat.
- » Seat height - same as motion.
- » Use our trims - sure, at your listed upcharge.
- » COMs - please! 75% of our business is in COM!
- » Custom widths NOT available.
- » Standard finish is Battered White, upcharge for other finishes.
- » Monograms and Crypton stain barrier are available at an upcharge.

The "AWP" monogram in the chair below is for Ann P. Williamson.
